RESOLUTIONS 1 AND 2 – ISSUE OF PERFORMANCE RIGHTS TO THE MANAGING DIRECTOR, MR PETER BOTTEN, AND TO EXECUTIVE DIRECTOR, MR GERE AAOPI UNDER THE LONG TERM INCENTIVE PLAN

Resolutions 1 and 2 of the Special Business deal respectively with the proposed award of 326,900 PRs to the Managing Director, Mr Peter Botten and with the proposed award of 64,100 PRs to Executive Director, Mr Gere Aapi.

At the Annual Meeting in 2004, shareholders approved equity incentive arrangements for senior executives and other employees of the Company. Following changes in Australian tax legislation, the existing equity incentive arrangements were reviewed and consolidated as the Long Term Incentive Plan.

Under the LTI Plan, from 2014 onwards, awards of the following can be made:

- ▶ Performance Rights for key executives and senior employees;
- ▶ Restricted Shares for key executives and senior employees; and
- ▶ Share Rights for other employees.

The key terms applying to the award of PRs under the LTI Plan are summarised below.

A) TYPE OF AWARD

Awards of PRs are structured as rights to acquire ordinary shares in the Company for nil consideration, provided specified performance hurdles are met within defined time restrictions.

The LTI Plan rules allow participation by any executive, executive director or any other employee deemed to be eligible by the Board.

Awards under the plan are expressed as a number of PRs to acquire a certain number of ordinary shares in the Company (generally one share for each PR).

B) PURCHASE PRICE

Recipients of PRs are not required to pay any amount in respect of the PRs or upon acquisition of the shares pursuant to the PRs.

2016

NOTICE OF MEETING

C) SIZE OF AWARD

The Board determines the dollar value of the annual PR award to be issued to each participant through an assessment of market remuneration practices and in line with Oil Search's executive remuneration strategy.

The number of PRs is then determined by dividing the dollar value of the PR award by the volume weighted average price of Oil Search shares for the five (5) days following the announcement of the Company's 2015 full year results and then rounding to the nearest one hundred.

D) FREQUENCY OF AWARDS

Awards under the LTI Plan are made annually, normally following the Company's Annual Meeting.

E) VESTING OF PRS

PRs vest three years after the date of issue to the extent performance criteria have been met and are automatically exercised.

F) PERFORMANCE CRITERIA

The performance criteria for the vesting of PRs are based on the Company's Total Shareholder Return (TSR) over the three-year performance period.

The performance period for the award of PRs made in 2016 will be the three-year period from 1 January 2016 to 31 December 2018.

To determine the number of awards vesting, the Company's TSR over the performance period will be ranked:

- (i) as regards 50% of the award, against the TSR of each of the constituents of the S&P/ASX 50 Index (excluding property trusts and non-standard listings) as at the commencement of the three-year performance period; and
- (ii) as regards the other 50% of the award, against the TSR of each of the constituents of the S&P Global 1200 Energy Index at the commencement of the three-year performance period. TSR outcomes for this international group are normalised against a US dollar base currency to provide consistency of measurement.

If, in regard to either part of the award described in F) i) or ii), the Company's TSR performance is:

- ▾ below median, that is, the 50th percentile, the number of PRs comprising that part of the award that vest will be zero;
- ▾ at median, the number of PRs that vest will be 50% of the total number of PRs comprised in that part of the award;
- ▾ greater than median and less than the 75th percentile, the number of PRs that vest will increase on a straight line basis from 50% to 100% of the total number of PRs comprised in that part of the award; or
- ▾ equal to or greater than the 75th percentile, the number of PRs that vest will be 100% of the total number of PRs comprised in that part of the award.

The Board retains discretion to allow vesting of all PRs and to waive any restrictions in the event of a change of control or de-merger of the Company.

G) LAPSING OF PRS

PRs that do not vest following assessment of the performance conditions lapse immediately.

Generally, unvested PRs will lapse on cessation of employment, unless the Board determines otherwise. If the participant's employment ends by reason of death, illness, total or permanent disablement, redundancy or in circumstances approved by the Board, unvested PRs will not vest or lapse, but will remain on foot after cessation of employment and will vest or lapse in due course, depending on whether the performance conditions are achieved (subject to the Board's discretion to determine otherwise prior to or around the time of cessation).

The Board may also determine to cancel a participant's unvested PRs if, in the opinion of the Board, the participant has breached their obligations to the Oil Search Group.

H) MANAGEMENT OF THE LTI PLAN AND OTHER GENERAL TERMS

The LTI Plan is administered by the Board.

The LTI Plan rules provide flexibility to allow the use of newly awarded or existing shares (for example through purchase on-market) to satisfy awards under the LTI Plan.

PRs do not attract dividends or voting rights.

The Board may engage third party share managers to assist with the administration of the LTI Plan.

I) MAXIMUM NUMBER OF SHARES TO BE ISSUED

The aggregate number of shares and shares subject to outstanding rights (that is, rights that have not yet been exercised and that have not lapsed) that have been awarded under all of Oil Search's equity incentive plans will not exceed 5% of Oil Search's issued share capital.

ASX Listing Rule 10.14 requires shareholder approval before the following persons can acquire securities in the Company under an employee incentive plan:

- ▾ a director of the entity;
- ▾ an associate of the director of the entity; and
- ▾ a person whose relationship with the entity is, in the ASX's opinion, such that approval should be obtained.

Accordingly, shareholder approval is sought in respect of the award of 326,900 PRs to the Managing Director, Mr Peter Botten and the award of 64,100 PRs to Executive Director, Mr Gereia Aopi, in accordance with the LTI Plan.

The number of Restricted Shares awarded is determined by dividing 50% of the participant's STI award by the volume weighted average price of Oil Search shares for the five (5) days following the announcement of the Company's 2015 full year results and then rounding to the nearest whole Restricted Share.
