3. If a shareholder is a corporation and wishes to appoint a corporate representative, the corporate representative must produce a certificate of appointment prior to admission to the meeting signed in accordance with section 127 of the *Corporations Act 2001*.
4. A shareholder entitled to attend and vote may appoint an attorney to act on his or her behalf at the meeting. An attorney may, but need not, be a shareholder of the Company. An attorney may not vote at the meeting unless the instrument appointing the attorney, and the authority under which the instrument is signed or a certified copy of the authority, are received by the Company before the meeting.

5. A shareholder who is entitled to cast two or more votes may appoint not more than two proxies. A proxy need not be a shareholder of Newcrest.

However, if you do not mark a box next to the resolutions in Items 3 or 4, then by signing and submitting the proxy form, you will be expressly authorising the Chairman to vote as they see fit in respect of the resolutions in Items 3 and 4 even though they are connected with the remuneration of the Company's KMP.
12. If you appoint a proxy (other than the Chairman of the meeting) and your proxy is either not recorded as attending the meeting or does not vote on a resolution, the Chairman of the meeting will, before voting on the resolution closes, be taken to have been appointed as your proxy for the purposes of voting your proxy.

Rule 69 of the Company's Constitution specifies that a Director may not hold office for a continuous period in excess of three years or past the third annual general meeting following the Director's last election or re-election to the Board, whichever is longer, without submitting for re-election. The Board, with the assistance of the Nominations Committee, has reviewed the performance of Peter Hay, Philip Aiken AM, Rick Lee AM and John Spark and is satisfied that they continue to bring valuable expertise and experience to the Board.

As part of the Board renewal process that commenced during 2013, one new Director, Vickki McFadden, was appointed during 2016. In accordance with Rule 57 of the Company's Constitution, Vickki McFadden retires and, being eligible, offers herself for election. The Board undertook a comprehensive process to identify suitably qualified candidates and considers that Vickki McFadden brings valuable commercial and finance experience to the Board.

Item 3 – Grant of Performance Rights to Executive Directors

Item 3(a) – Sandeep Biswas

In accordance with ASX Listing Rule 10.14, the Company is seeking the approval of shareholders for a grant of performance rights (**Rights**) to the Managing Director and Chief Executive Officer, Sandeep Biswas, pursuant to the Newcrest Mining 2016 Long Term Incentive Plan (**LTIP**).

LTIP Terms and Conditions

If shareholder approval is obtained, the Board intends to issue the Rights shortly after the Company's 2016 Annual General Meeting, and in any event no later than 12 months from the date of the meeting. Rights will be issued at no cost to Sandeep Biswas and no amount is payable on vesting of the Rights. Rights will be granted subject to and under the terms of the LTIP. Rights do not carry any dividend or voting rights prior to vesting.

Each Right entitles the holder to one fully paid ordinary share in the Company, subject to the satisfaction of the vesting conditions described below (and any adjustments under the LTIP Rules if any bonus issues, rights issues or other capital reconstructions occur after the Right is granted). Shares allocated on vesting of Rights will rank equally with ordinary shares in the Company.

The number of Rights to be granted to Sandeep Biswas will be calculated by dividing his maximum Long Term Incentive (**LTI**) opportunity under his terms of employment (being 150% of his total fixed annual remuneration of A\$2,300,000 per annum) by the volume weighted average price (**VWAP**) of the Company's shares traded on the ASX over the five trading days up to but not including the date of grant.

The Board may round the number of Rights determined under the above formula up or down as deemed appropriate.

By way of example, if the VWAP of the Company's ordinary shares in the five trading days leading up to the date of grant is A\$23.00, then Sandeep Biswas would be granted $A\$2,300,000 \times 150\% / A\$23.00 = 150,000$ Rights under the LTIP.

Vesting of those Rights will be subject to the LTIP Rules and in particular satisfaction of applicable performance conditions discussed below.

If the Board determines the performance conditions are satisfied, Rights will be automatically exercised. On vesting and exercise of the Rights, the Board has the discretion, subject to the LTIP Rules, to issue new shares, purchase existing shares on-market or to pay a cash equivalent amount. The Board retains overriding discretion to adjust the number of rights that will vest to ensure that any LTI award is appropriate.

Once vested, any allocated shares will be subject to a 'holding lock' under the LTIP Rules for a period of 12 months from the vesting date. During this 'holding lock' period, the shares may not be sold or otherwise dealt with. In addition, clawback provisions apply to the LTIP award to allow the Board to recoup or reduce awards should these subsequently be found to have resulted in an inappropriate benefit being conferred in certain circumstances, including, for example, the fraud or misconduct of a participant or a material misstatement or other event or error in the financial results of Newcrest.

The Board considers that Sandeep Biswas' participation in the LTIP is a critical mechanism by which to incentivise performance in line with shareholder interests. If shareholders do not approve the grant of Rights at the Annual General Meeting, it is intended that an equivalent LTIP award will be provided in cash, subject to the same performance, service, vesting and other conditions as described below, in order to ensure that Sandeep Biswas is entitled to participate in the LTIP.

Performance Conditions

Vesting of Rights granted to Sandeep Biswas under the LTIP will be subject to satisfaction of the following three equally weighted performance conditions:

- Comparative Cost Position;
- Return on Capital Employed; and
- Relative Total Shareholder Return.

These measures have been chosen by the Board, after consultation with its external remuneration consultant, to reflect the key drivers behind Company performance and to align reward outcomes with shareholders.

1) Comparative Cost Position

The Company's measure for the Comparative Cost Position is the 'All-in Sustaining Costs' (**AISC**) measure, as determined and reported in accordance with the World Gold Council Guidance Note on Non-GAAP Metrics: All-in Sustaining Costs and All-in Costs, adopted by the Company in relation to costs reporting.

The AISC incorporates costs related to sustaining production. An independent data service, which offers access to broad-based industry cost and production data is used. The comparison is made by ranking the Company's performance over a period of three years from 1 July 2016 against other producers included in the independently managed and sourced data.

The vesting schedule for this measure is as follows:

- 0% vests if Comparative Costs are at or above the 50th percentile;
- 40% vests if Comparative Costs are less than the 50th percentile, but at or above the 25th percentile; and
- 100% vests if Comparative Costs are below the 25th percentile.

Straight line vesting occurs between the 50th and 25th percentile thresholds.

2) Return on Capital Employed (ROCE)

ROCE is an absolute measure, defined as underlying earnings before interest and tax (**EBIT**), divided by average capital employed, being shareholders' equity plus net debt.

ROCE will be assessed over a three year performance period from 1 July 2016 to 30 June 2019. For each of the three years of the performance period, ROCE is averaged to determine the number of Rights that may be exercised in relation to this performance condition.

Average capital employed is calculated as a simple average of opening and closing balances. If material equity transactions (for example, significant equity issuances or asset impairments) occur such that the simple average is not representative of actual performance, the average capital employed for the year is adjusted for the effect of these transactions.

Average capital employed for the purpose of this calculation excludes approved capital invested in long-dated projects until commercial production is achieved, so as to not discourage Management's pursuit of long-dated growth options.

Following a review foreshadowed in the 2016 Remuneration Report, the vesting schedule has been set to ensure performance targets balance the need to be both stretching and achievable. The review has taken into account the current rates of expected return on both risk-free and other asset classes (particularly those comparable to Newcrest) and projections of the Company's earnings and capital structure going forward.

The vesting schedule for the ROCE measure is as follows:

- 0% vests if ROCE is less than 6%;
- 30% vests if ROCE is 6%; and
- 100% vests if ROCE is 13% or more.

Straight line vesting occurs between the 6% and 13% ROCE thresholds.

3) Relative Total Shareholder Return

Relative Total Shareholder Return (**TSR**) will be assessed over a three year performance period from 1 July 2016 to 30 June 2019.

TSR is the percentage growth in shareholder value, which takes into account factors such as changes in share price and dividends paid. The Relative TSR performance condition measures Newcrest's ability to deliver superior shareholder returns relative to its peer companies by comparing the TSR performance of Newcrest against the performance of the S&P TSX Global Gold Index.

The vesting schedule for this measure is as follows:

- 0% vests if TSR of Newcrest is below index;
- 50% vests if TSR of Newcrest is equal to the index; and
- 100% vests if TSR of Newcrest exceeds the performance of the index by 18 percentage points or more.

Straight line vesting occurs to the extent that the TSR of Newcrest exceeds the index by less than 18 percentage points.

Treatment of Rights on Cessation of Employment

The LTIP Rules provide that all unvested Rights will lapse in the event of an employee's resignation or termination for cause. In all other circumstances, a pro rata number of Rights, calculated in accordance with the proportion of the LTIP performance period worked, will remain on foot, and will vest at the end of the performance period, subject to satisfaction of the original performance conditions and any applicable holding lock. The remaining unvested Rights will lapse on the employment cessation date. The LTIP Rules further provide that the Board has an overriding discretion to adjust LTIP vesting outcomes.

Change of Control

Upon a change of control event (as described in the LTIP Rules), the Board has the discretion to determine the extent, if any, to which early vesting on a full or a pro-rated basis is the appropriate outcome for LTIP participants, taking into account all relevant circumstances, or to deal with the Rights as it considers to be fair and equitable.

Item 3(b) – Gerard Bond

In accordance with ASX Listing Rule 10.14, the Company is seeking the approval of shareholders for a grant of Rights to the Finance Director and Chief Financial Officer, Gerard Bond, pursuant to the LTIP.

LTIP Terms and Conditions

If shareholder approval is obtained, the Board intends to issue the Rights shortly after the Company's 2016 Annual General Meeting, and in any event no later than 12 months from the date of the meeting. Rights will be issued at no cost to Gerard Bond and no amount is payable on vesting of the Rights. Rights will be granted subject to and under, the terms of the LTIP. Rights do not carry any dividend or voting rights prior to vesting.

The number of Rights to be granted to Gerard Bond will be calculated by dividing his maximum LTI opportunity under his terms of employment (being 100% of his total fixed annual remuneration of A\$975,000 per annum) by the VWAP of the Company's shares traded on the ASX over the five trading days up to but not including the date of grant.

The Board may round the number of Rights determined under the above formula up or down as deemed appropriate.

By way of example, if the VWAP of the Company's ordinary shares in the five trading days leading up to the date of grant is A\$23.00, then Gerard Bond would be granted $A\$975,000 \times 100\% / A\$23.00 = 42,391$ Rights under the LTIP.

The terms of Gerard Bond's Rights are the same as described above for Sandeep Biswas in all material respects, including vesting conditions, overriding Board discretion, holding lock and clawback provisions and treatment of Rights on cessation of employment and on a change of control.

If shareholders do not approve the grant of Rights at the Annual General Meeting, it is intended that an equivalent LTIP award will be provided in cash, subject to the same performance, service, vesting and other conditions as described above, in order to ensure that Gerard Bond is entitled to participate in the LTIP.

Other Information Applicable to Items 3(a) and 3(b)

Sandeep Biswas and Gerard Bond are the only Directors who are entitled to participate in the LTIP. As it is a new plan, no previous grants have been made to a Director under it.

No loans are being provided to Sandeep Biswas or Gerard Bond under the LTIP.

If shareholder approval is given for the issue of securities under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

Board Recommendation

The Board (other than Sandeep Biswas and Gerard Bond) unanimously recommends that shareholders vote **in favour** of both proposed resolutions in Item 3.

Item 4 – Remuneration Report

(Non-binding Resolution)

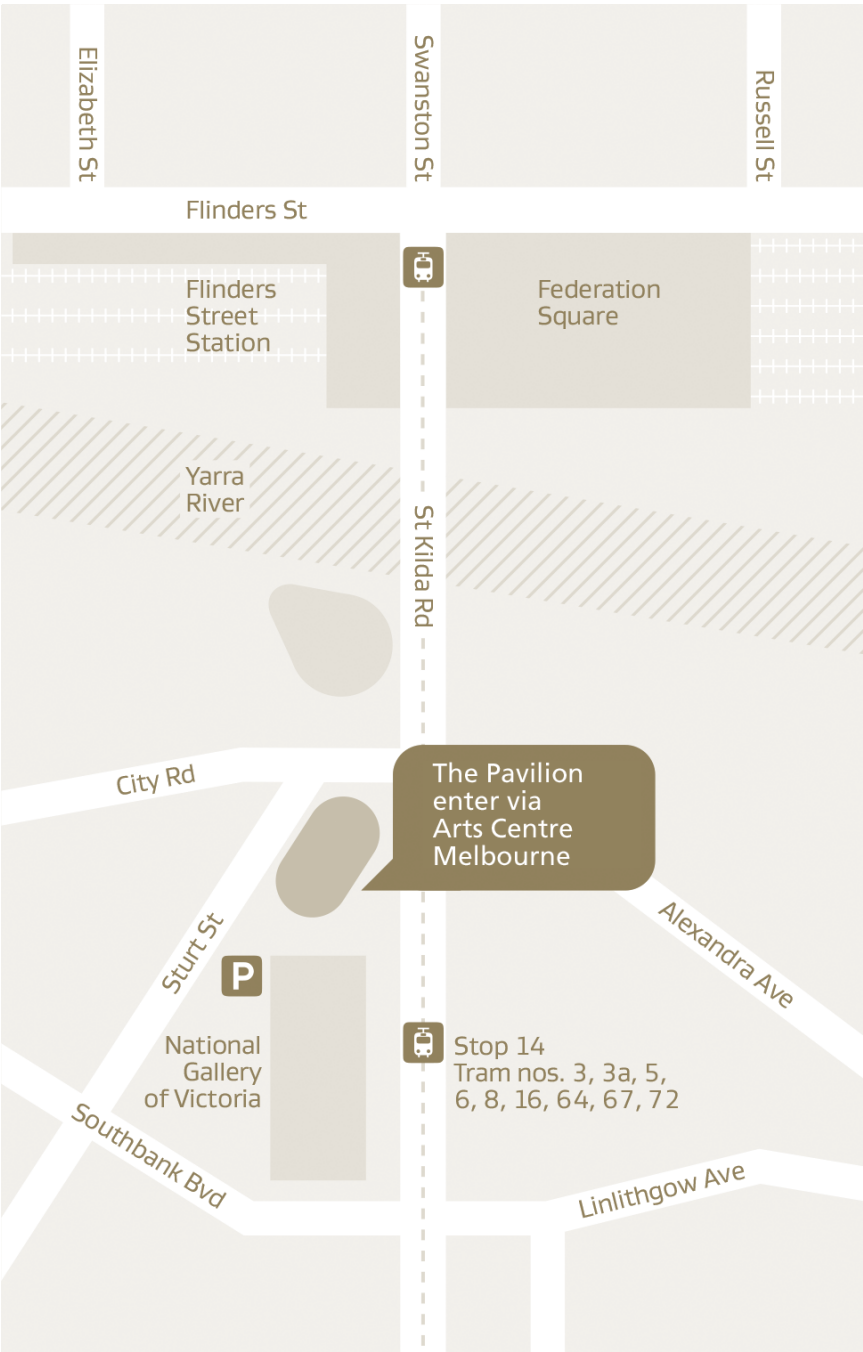

The Remuneration Report is set out on pages 70-92 of the Company's 2016 Annual Report and is also available on the Company's website. The Remuneration Report describes the Group's remuneration strategy and policy and the remuneration arrangements in place for each Executive Director, other members of the Executive Committee and the Non-Executive Directors (including the Chairman) during the year ended 30 June 2016.

This vote is advisory only and does not bind the Directors or the Company. Nevertheless, the discussion on this resolution and the outcome of the vote will be taken into consideration by the Board and the Human Resources and Remuneration Committee when considering the future remuneration arrangements of the Company.

The Board unanimously recommends that shareholders vote **in favour** of the resolution proposed in Item 4.

HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business in Step 2. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both forms together.
