

NOTICE OF ANNUAL GENERAL MEETING

CHAIRMAN'S ADDRESS

4 May 2017

Dear Shareholder,

On behalf of the Directors of Kina Petroleum Limited, I am pleased to present our Annual Report for the 2016 financial year and invite you to the 2017 Annual General Meeting of the Company, which is to be held on Wednesday 24 May 2017 at 11 am in Port Moresby.

Report on 2016 Activity

2016 was a year of consolidation for the company in the face of low oil and gas prices and a limited industry appetite for exploration and development activity. Kina took the opportunity afforded by the relatively low levels of activity to preserve capital by divesting non-core assets such as PPL 337, and focus on the renewal of licences which are fundamental to generating value in future. Those licences are the PPL 338, 339 and 340 licences which Kina has held interests in since before its initial public offering.

I am very pleased to report that our application to extend PPL 338 was approved by the government of PNG and Kina was awarded a 5-year extension early in 2017, with effect from 31 January 2017. As is customary, Kina was required to relinquish half of the area of PPL 338 that it previously held, however we were able to apply for this relinquished area as a set of new exploration licences. The first of these new licences, PPL 581, was awarded alongside the PPL 338 extension, and offers for the other 3 licences have been accepted.

The PPL 339 extension is being managed by the Operator, Oil Search, and we continue to work with them and the Regulator while that is being progressed.

A licence extension was also applied for in respect of PPL 340, covering 50% of the original area, and at the date of this notice we await award of the extension.

Other highlights of 2016 include:

- *An announcement by Kumul Petroleum*, the company which holds the State's interests in Oil and Gas Projects, of its intention to develop a pipeline from Western Province through to Port Moresby to assist with commercialisation of hydrocarbons in Western Province.
- *In PRL 21*, formation of a Joint Working Team (with the PDL 10 Joint Venture) whose objective is to commercialise the combined PRL 21/PDL 10 hydrocarbon resource.
- *In PRL 38*, we commenced evaluation of 3D seismic data over the Pandora gas fields, providing valuable information about commercialization options for the licence.

- *Formulation of a farmout strategy for forelands licences, including PPLs 338, 339 and 340 to capitalize on the prospectivity in these areas which are adjacent to the Elk/Antelope discoveries that will underpin the proposed Papua LNG project.*
- *Completion of re-processing of all legacy seismic data in PPLs 435, 436 & 437 allowing the prospectivity of these licences to be more clearly delineated*

The resolutions to be considered at the Annual General Meeting relate to:

- The adoption of the Directors' remuneration report,

- Refreshing the ability for the Board to place an additional 10% of its issued capital during the next 12 months should it deem it appropriate and
- Issuing shares earned by Non-Executive Directors as part of their remuneration. This includes shares approved at the 2016 AGM, but not issued.

Lastly, I would like to thank all of the Kina shareholders for their support over the past 12 to 18 months and we look forward to continued success over the coming period.

Yours sincerely,

Richard Robinson

EXPLANATORY MEMORANDUM
KINA PETROLEUM LIMITED

INTRODUCTION

This Explanatory Memorandum has been prepared to assist shareholders in considering the Resolutions set out in the Company's Notice of Annual General Meeting. This Explanatory Memorandum forms part of, and should be read in conjunction with, the Company's Notice of Annual General Meeting, for the Company's Annual General Meeting to be held on **Wednesday 24 May 2017 at 11 am** (PNG time) at the Laguna Hotel Banquet 1, Section 136 Allotment 8, Waigani Drive, National Capital District, Port Moresby, Papua New Guinea. Terms used in this Explanatory Memorandum are defined in the Glossary at page 16 of this Explanatory Memorandum.

BUSINESS

FINANCIAL STATEMENTS

The Companies Act 1997 (PNG) requires that the Financial Report (including the Directors' Report, Financial Statements and the Audit Report) be laid before the Annual General Meeting. Although not requiring a vote of shareholders, an opportunity will be provided for shareholders to ask questions on the reports, including of the Company's auditor, who will be available to answer shareholders' questions relating to the Audit Report.

RESOLUTION 1: ADOPTION OF DIRECTORS' REMUNERATION REPORT

The Board is committed to creating value for shareholders by applying the Company's funds productively and responsibly. A portion of the funds available to the Company is applied to remunerate your Non-Executive Directors.

Your Board is aware of the sensitivities of shareholders to remuneration practices generally, and submits its remuneration report to shareholders for consideration and adoption under a non-binding resolution.

The Remuneration Report appears within the Directors' Report in the Company's Annual Report and describes the remuneration practices of the Company and the rationale underpinning those practices.

The Company has elected to follow recent amendments to the Corporations Act 2001 (Cth) so that:

- (a) the Company will disregard any votes cast on this item of business by any member of "Key Management Personnel" (**KMP**) of the Company and their closely related parties, except as directed by any proxies; and
- (b) a 'two-strike' process in relation to the advisory and non-binding vote on the remuneration report will be introduced. Under the two-strike process if, at two consecutive Annual General Meetings, at least 25% of votes cast on a resolution that the remuneration report be adopted are against adoption of the report, at the second of these Annual General Meetings, there must be put to the vote a resolution that another meeting be held within 90 days at which all Directors (except the Managing Director) who were Directors when the 25% 'no' vote was passed must stand for re-election.

"KMP" are people having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, and include Directors.

"Closely related parties" includes certain family members and dependents of KMP and companies they control.

Directors' Recommendation

Noting that each Director has a personal interest in their own remuneration the subject of this resolution, the Board does not consider it appropriate to make a recommendation to shareholders in relation to voting on this resolution.

RESOLUTION 2: RE-ELECTION OF DIRECTOR (Mr Richard Robinson)

Directors' Recommendation

The Board (other than Mr Robinson) recommends the re-election of Mr Robinson.

RESOLUTION 3: RE-ELECTION OF DIRECTOR (Mr David Vance)

Directors' Recommendation

The Board (other than Mr Vance) recommends the re-election of Mr Vance.

RESOLUTION 4: APPROVAL OF 10% PLACEMENT FACILITY

3.1 General

Listing Rule 7.1A permits an "eligible entity" which has obtained shareholder approval by special resolution passed at an annual general meeting to issue "equity securities" (as defined in the Listing Rules and which includes shares and options to acquire shares) up to 10% of its issued share capital through placements over a maximum 12-month period after the relevant annual general meeting (the **10% Placement Facility**).

The issue of equity securities under the 10% Placement Facility would be in addition to the Company's ability to issue equity securities without Shareholder approval under Listing Rule 7.1. Broadly, Listing Rule 7.1 permits the Company to issue up to 15% of its issued equity capital without Shareholder approval over a 12-month period.

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that, as at the date of the relevant special resolution under that Rule, is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. If the special resolution were voted on at the date of the Notice, the Company would satisfy the eligible entity requirements, and the Directors believe that the Company would continue to satisfy those requirements on the date of the Annual General Meeting.

Whilst the Company has no current intention to raise capital via this 10% Placement Facility, the directors are of the opinion that it is prudent to have such a facility in place to provide flexibility on capital raising alternatives should they be required in the coming 12 months. The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility.

The effect of Resolution 3 will be to allow the Directors to issue equity securities under Listing Rule 7.1A during a maximum period of 12 months after the Annual General Meeting without Shareholder approval and in addition to the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

3.2 Description of Listing Rule 7.1A

Listing Rule 7.1A came into effect on 1 August 2012.

(a) Shareholder approval

The ability to issue equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue two classes of equity securities, being ordinary shares and options to subscribe for ordinary shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during a period of up to 12 months after the date of the annual general meeting (see paragraph (f) below – "10% Placement Period"), a number of equity securities calculated in accordance with the following formula:

$(A \times D) - E$

A is the number of fully paid ordinary shares on issue 12 months before the date of issue or date of agreement to issue:

- (A) plus the number of fully paid ordinary shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid ordinary shares that became fully paid in the 12 months;
- (C) plus the number of fully paid ordinary shares issued in the 12 months with approval of holders of ordinary shares under Listing Rule 7.1 or 7.4;
- (D) less the number of fully paid ordinary shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rules 7.1 and 7.1A

The ability of an entity to issue equity securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of the Notice, the Company has the capacity to issue:

- (i) 46,034,838 equity securities under Listing Rule 7.1; and
- (ii) 30,689,892 equity securities under Listing Rule 7.1A.

The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 3.2(c)).

3.3 Information required by Listing Rule 7.3A

Listing Rule 7.3A sets out a number of matters which must be included in a notice of meeting seeking an approval under Listing Rule 7.1A. The following information is provided for that purpose.

(a) Minimum Price

The issue price of equity securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP (volume weighted average market price) of equity securities in the same class calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed; or
- (ii) if the equity securities are not issued within 5 ASX trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

(b) Risk of dilution

Any issue of equity securities under the 10% Placement Facility will dilute the interests of Shareholders who do not receive any shares under the issue.

There is a risk that:

- (i) the market price for the relevant equity securities may be significantly lower on the issue date than on the date of approval under rule 7.1A; and
- (ii) the equity securities may be issued at a price that is at a discount to the market price for the relevant equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The table below shows the potential dilution of existing Shareholders on the basis of an issue price of \$0.10 (being the closing market price of the Company's shares as at 20 April 2017) and the current value for the variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice

The table also shows:

- (i) two examples where variable "A" has increased, namely by 50% and by 100%. Variable "A" could increase as a result of issues of shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued

under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

- (ii) two examples of where the assumed issue price of \$0.07 has changed: one, where it has decreased by 50% and two, where it has increased by 100%.

		50% decrease in Issue Price \$0.05	Issue Price \$0.10	100% increase in Issue Price \$0.20
Current Variable "A" 306,898,921	10 % voting dilution	30,689,892 shares	30,689,892 shares	30,689,892 shares
	Funds raised	\$1,534,495	\$3,068,989	\$6,137,978
50% increase in current Variable "A" 460,348,382	10 % voting dilution	46,034,838 shares	46,034,838 shares	46,034,838 shares
	Funds raised	\$2,301,742	\$4,603,484	\$9,206,968
100% increase in current Variable "A" 613,797,842	10 % voting dilution	61,379,784 shares	61,379,784 shares	61,379,784 shares
	Funds raised	\$3,068,989	\$6,137,978	\$12,275,957

The table has been prepared on the following assumptions:

- (i) The Issue Price is \$0.10, being the closing price of the Company's shares on ASX on 20 April 2017.
- (ii) The Company issues the maximum number of equity securities available under the 10% Placement Facility.
- (iii) No options are exercised into shares before the date of the issue of the equity securities.
- (iv) The 10% dilution reflects the aggregate percentage voting dilution against the issued share capital at the time of issue. This is why the dilution is shown in each example as 10%.
- (v) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vi) The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vii) The issue of equity securities under the 10% Placement Facility consists only of Shares. If the issue of equity securities includes options, it is assumed that those options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

(c) Issue Dates

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; and
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the **10% Placement Period**).

The Company will only issue and allot the equity securities under the 10% Placement Facility during the 10% Placement Period.

(d) Purpose of Issues

The Company may seek to issue equity securities under the 10% Placement Facility for the following purposes:

- (i) as non-cash consideration for the acquisition of new resources, assets and investments (including expenses associated with such acquisitions). In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) for cash consideration in which case the Company intends to use the funds raised for exploration activities at its existing projects and/or for acquisition of new assets or investments (including expense associated with such acquisitions) and general working capital.

The Company will comply with the disclosure obligations under the Listing Rules (e.g. Rule 7.1A .4 and 3.10.5A) upon issue of any equity securities under the 10% Placement Facility.

(e) Allocation policy

The Company's allocation policy for the issue of equity securities under the 10% Placement Facility is dependent on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue;
- (ii) alternative methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (iii) the effect of the issue of the equity securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial situation and solvency of the Company; and
- (v) advice from corporate, financial and broking advisers (if applicable).

The allottees of any equity securities that may be issued under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new shareholders who are not related parties or associates of a related

party of the Company. Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources, assets or investments.

(f) Previous Approvals under Listing Rule 7.1A

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the Company's AGM held 16 December 2016. This resolution is to refresh this Placement Facility.

The Company has not issued any equity securities during the preceding 12 months of the date of this Notice.

(g) Voting Exclusion Statement

A voting exclusion statement is included in the Notice.

At the date of the Notice, the Company has not approached nor intends to approach any particular existing Shareholder or security holder or an identifiable class of existing security holders to participate in the issue of any equity securities, and the Company has not formed an intention in relation to how it will decide which parties it might approach to participate in any issue of equity securities that might be made under the 10% Placement Facility. Assuming that remains the case at the time of the Annual General Meeting (which the Directors currently believe will be the case), no Shareholder's votes will be excluded under the voting exclusion in the Notice.

3.4 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4.

RESOLUTIONS 5 TO 8: APPROVAL OF ISSUE OF SHARES TO DIRECTORS

Resolutions 5 to 8 seek Shareholder approval in accordance with Listing Rule 10.11 for the issue of shares to Directors as set out below.

Each of the Non –Executive Directors Services Agreements contains a provision outlining that a component of their Directors fees is payable, subject to shareholder approval, in equity of the Company.

The shares for which approval is being sought pursuant to Resolutions 5 to 8, represent that component of the respective Directors Fees being payable in equity from the date of their respective appointment dates through to 31st May 2017. These shares include the shares which were approved at the 16 December 2016 Annual General Meeting but which were not issued within one month of that meeting. In order for these shares to be issued, listing rule 10.11 requires that approval for their issue be sought again.

Resolution 5 to 8 are ordinary resolutions. Pursuant to Listing Rule 10.11, a "related party" of a listed company is precluded from participating in any issue of securities in a company without the prior approval of shareholders. Shareholder approval is required under ASX Listing Rule 10.11 because Mr Barry Tan, Dr Ila Temu, Mr Richard Robinson and Mr David Vance are considered related parties of the Company.

Listing Rule 10.13 contains certain requirements as to the contents of a notice of Annual General Meeting sent to Shareholders for the purposes of Listing Rule 10.11 and the following information is included in this Explanatory Memorandum for that purpose.

- a) The Shares are proposed to be issued to Mr Barry Tan, Dr Ila Temu, Mr Richard Robinson and Mr David Vance who are Directors of the company.
- b) The maximum number of shares to be issued is:

NAME	NUMBER OF SHARES	DEEMED ISSUE PRICE
Mr Barry Tan	215,525	\$0.375
Dr Ila Temu	215,525	\$0.375
Mr Richard Robinson	231,674	\$0.41
Mr David Vance	146,693	\$0.35

- c) The Shares will be issued to each Director (or its nominees) within one (1) month of the date of the meeting.
- d) The Shares, once issued, will rank equally with the existing shares on issue:
- e) A voting exclusion statement is included in the notice of Annual General Meeting.
- f) There will be nil funds raised from the issue of these shares.

Directors' Recommendation

Noting that each Director has a personal interest in their own remuneration the subject of this resolution, the Board does not consider it appropriate to make a recommendation to shareholders in relation to voting on this resolution.
