The notes mature on 15 March 2022 and are convertible into shares in Pretivm at any time prior to that date at the election of noteholders. If the Plan of Arrangement proceeds, noteholders will be entitled to receive Newcrest shares, rather than Pretivm shares on conversion of a note. The maximum number of Newcrest shares to be issued as a result of conversion of the notes is 2,738,093. The actual number will depend on a variety of factors, including the extent to which noteholders exercise their conversion rights after the Plan of Arrangement becomes effective. The date of issue of Newcrest shares may be before 14 March 2022, depending on when conversion rights are exercised.
